Dear John,

On January 9, 1996 the Illinois Board of Higher Education granted authority to Southern Illinois University at Carbondale to establish the following eight degree programs:

- B.S. in Physician Assisting (51.0807)
- B.S. in Dental Hygiene (51.0602)
- B.S. in Radiologic Science (51.0907)
- B.S. in Mortuary Science and Funeral Services (12.0301)
- B.S. in Architectural Studies (04.0201)
- B.S. in Automotive Technology (15.0604)
- B.S. in Aviation Technologies (47.0609)
- B.S. in Industrial Technology, off-campus (15.0603)
in Lewis and Clark Community College District #536.

We have assigned the Classification of Instructional Programs (CIP) codes to each of the programs as shown above. Please inform appropriate persons on campus who need to know this information and those responsible for reporting data for the programs using the assigned codes.

It is our understanding that the University will notify the Board of Higher Education when the existing programs that are replaced by the above new programs have been eliminated and reorganization of the proposed College of Applied Sciences and Arts is completed.

Thank you for your attention to these matters. Please contact me at 217/782-3442 if you have questions.

Sincerely,

Kathleen F. Kelly
Deputy Director
